

The Breath Tester Bulletin

Lifeloc's newsletter features a variety of content specific to the drug and alcohol testing industry including the latest DOT updates, special equipment trade-in offers, upcoming events, recertification requirements, technical tips and much more!

DOT Report: Oral Drug Testing Comment Period Extended

The US Department of Transportation is providing an extension on the comment period on its proposal to include Oral Fluid testing as an option for workplace testing. This period has been extended until April 29 2022. Be sure to read and respond to the proposal before the end of the 60 day comment period.

Docket No. DOT-OST-2021-0093

Knowledge Check: Warranties & Extended Service Plans

Lifeloc Factory Warranty

Lifeloc provides a warranty on all new devices, as well as an option to add an Extended Service Plan. Warranty details and ESP options vary per model of device. All factory warranties include:

- Deficiency in material or workmanship
- Parts and Labor on covered repairs
- Applicable software updates
- All non-disposable kit items

[LEARN MORE](#)

All Workplace devices (PX6.0 and EV30) include a free rental unit while your breath tester is being serviced so that you are never without equipment. Additionally, rental units are available for any other situations on a week by week basis. Contact our service department for pricing and further details.

Be aware that things like freight costs, calibrations, preventative maintenance and damage caused by improper usage of the device are not covered and will be billed for accordingly.

Lifeloc Extended Service Plans

Lifeloc recommends adding an Extended Service Plan which can be paid for one or two years at a time. This extends your first year warranty coverage to ensure your device is operating at peak performance but it also includes:

- Free Return Shipping
- Coverage printers, keyboards & Cables
- Annual Factory Diagnostic Check
- Full Calibration
- Replacement of damaged components including case, keyboards or screens
- Free Parts and Labor

Service on your device is guaranteed to be complete within 5 business days, unless otherwise specified. Prices varying based on model of the device.

Lifeloc Fuel Cell Warranty

Did you know that PX6.0BT and EV30 devices come with a Lifeloc Limited Lifetime Fuel Cell Warranty when purchased on or after June 1,

2014?

As with any warranty, there are things to be aware of:

- Repair or replacement of defective fuel cells is always at the discretion of Lifefloc Technologies
- The warranty applies only to the original purchaser of the device
- Warranty is invalidated if the instrument appears to have been used improperly or modified
- Warranty is invalidated if repairs have been done by someone other than an authorized repair center
- All fuel cells returned as defective become Lifefloc property
- Warranty does not survive past unit end of life
