

Thank you for choosing Lifeloc Technologies as your breath alcohol testing manufacturer. We want you to be totally satisfied with your breath alcohol testing instrument for many years to come. Lifeloc offers the most comprehensive manufacturer's warranty in the industry.

We also recommend you choose one of the comprehensive Extended Service Plans we offer to ensure your instrument is regularly factory checked and tuned to peak performance.

1 Year Manufacturers Limited Warranty

All Lifeloc breath alcohol testers come with a full one-year manufacturer's warranty on all system components including the parts and labor for the testing instrument, printer, keyboard (if applicable) and cables. Ground return freight to you is also covered.

Exclusions include freight to the Lifeloc factory for repairs, damage due to misuse, abuse, negligence, or accidents, damage caused by connection to improper voltage supply, or routine user maintenance such as calibration or preventative maintenance.

Why get an Extended Service Plan?

Our Extended Service Plans extend the first year warranty coverage on parts and labor with free return shipping PLUS go much further to certify your unit is operating correctly and at peak performance. All Lifeloc Extended Service Plans (ESP) also include:

- Full coverage on Units, Printers, Keyboards and Cables
- An annual factory diagnostic check on all critical system components to pro-actively identify, repair or replace before becoming a problem
- A visual inspection and replacement of cracked, scratched, or damaged unit cases, keypads, screens and other components
- Full Calibration across 3 Temperature Points
- Applicable Software Updates
- Free rentals while components are being serviced to keep you going 24/7
- No charge for parts and labor
- Free return shipping
- Service complete in 5 working days

Plan Options
