Reasonable Suspicion Training for Supervisors

Reasonable Suspicion for Supervisors:
Meets and exceeds DOT requirements for supervisors of safety-sensitive employees. The course is also widely used by non-DOT mandated organizations to train supervisors in the identification and management of workplace drug and alcohol use.

Course Contents:
- The 'how', 'when' and 'why' of proper reasonable suspicion testing
- Supervisor roles in DOT and Non-DOT programs
- Observing and confronting employees and their reactions
- Detailed descriptions and photos of prohibited drugs
- Supervisor protocols & testing rules
- What your employees need to know
- The costs and statistics of drug & alcohol misuse

Meets DOT Mandates for these DOT Transport Modes:

Federal Aviation Administration (FAA)
Federal Motor Carrier Safety (FMCSA)
Federal Transportation Administration (FTA)
Pipeline & Hazardous Materials (PHMSA)
United States Coast Guard (USCG)

Also Perfect for Non-Mandated Companies!

Lifeloc Makes it Easy:
- "Stop-Bookmark-Return" online flexibilty
- Use the training system immediately - all you need is an access code
- Multiple supervisors access the system through a single access code
- **Exceeds DOT training requirements for supervisors**
- Effective training for Non-DOT companies
- **Online Access to course content, resources, tools and materials for two years - review at any time**
- Automatic e-mail notifications of content updates

SCORM compliant for effective learning.
