

In order for Lifeloc to process your rental equipment request, please read and fill out the attached agreement form. All forms must be e-mailed or faxed to Lifeloc at service@lifeloc.com or 303.431.1423. Please contact Lifeloc service department with any questions at 800.722.4872.

Rental Rates

Customer agrees to pay the following weekly rental rate:

- Phoenix 6.0BT, Phoenix 6.0IR, EV30: \$85 per week
- Printer: \$60 per week

Rental Conditions

- Warranty and non-warranty rentals of evidential breath alcohol testers, hereafter referred to as 'EBT', and printers are subject to product availability and/or customer account status.
- For non-warranty rentals, a credit card deposit is required prior to release of the rental unit. A purchase order may be substituted if the customer has an established account with Lifeloc that is in good standing.
- On equipment needing service, ALL customers are responsible for paying the S&H charges to the Lifeloc facility. For those units still under warranty, Lifeloc will cover the S&H charges to return the repaired equipment back to the customer. Return S&H for non-warranty repaired equipment is charged to the customer. The standard method of shipment from Lifeloc to customer is via UPS Ground service, FOB Wheat Ridge, CO, unless otherwise requested.
- S&H for the rental unit is covered by Lifeloc. A prepaid shipping label will be included with your rental to be used for its return. DO NOT use this label to ship equipment needing service.
- Rental fees commence when the rental unit arrives at the customer facility and end when the equipment is shipped back to Lifeloc utilizing the return ground label provided by Lifeloc. If the prepaid label is not used, the date of receipt at Lifeloc is used in calculating rental fees. Rental fees are based on full weeks only. Lifeloc does not prorate rental charges.
- Failure to return rental equipment to the Lifeloc facility **within four weeks of arrival** shall result in the customer incurring a monthly rental fee until such equipment is returned to Lifeloc. This is also applicable on warranty repairs unless the extended rental period has been approved by Lifeloc. ALL customers shall be responsible for reasonable charges incurred for failure to return rental equipment to Lifeloc. This may be inclusive of charges over and above Lifeloc equipment list price.
- The customer is financially responsible for any loss of or damage to the rental equipment while it is in the customer's possession and during return shipment to the Lifeloc facility.
- The customer agrees to hold Lifeloc Technologies harmless for any costs or liability incurred due to operator error or failure of the rental equipment.

Important Note: Prior to sending in your EBT for service and/or returning your rental EBT, print or download any stored records you wish to save and clear the memory.
